The language of the conference is English. All countries in the Central European Region are invited to participate, including: Albania, Bosnia, Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Montenegro, Poland, Romania, Serbia, Slovakia, Slovenia.

As other SOHO meetings, the planned conference will encompass the entire field of hematologic oncology. The following topic blocks are planned:

- **AML • ALL • Aggressive lymphomas**
- **Indolent lymphomas • Hodgkin lymphoma • Bone marrow failure and PNH • Multiple myeloma • Cellular therapies • Myeloproliferative neoplasms and CML • CLL**
